## Welcome to the Workshop

The workshop is designed for community members, grounds workers, campus staff, professional health care workers, faculty, students, and the general public. There will be topics of interest for tree care workers, as well.

Come find out about Tree Campus USA.— healthy trees and student involvement.

Attendees will learn about the physical and social benefits of trees, as well as tree planting and early maintenance.

We'll close by going outside for a species tour of the campus of Arkansas Tech University.

## Directions

### Directions and Map

TAKE I-40 TO RUSSELLVILLE: there are four Russellville exits. Take the Highway 7 exit (Exit 81); turn south in the direction of the Holiday Inn; follow Highway 7 South to the ATU campus. Maps of the entire campus are available online. Facilities Management office at ATU is #49 on the map legend on this link to the map.
